Testimony in Support of L.D. 1378-An Act to Protect Maine Communities by
Enacting the Extreme Risk Protection and Order Act

Senator Carney, Representative Kuhn and esteemed members of the committee:

I unequivocally support L.D. 1378-An Act to Protect Maine Communities by Enacting the Extreme Risk Protection and Order Act. This is common sense legislation that will save lives. There is no valid reason, legal or otherwise, for not enacting a so-called "red flag" law.

In my opinion, Governor Mills and the legislature have blood on their hands for failing to enact such a law years ago. There is no room for politics in this discussion. Human lives are more important than guns. It is as simple as that.

Thank you
