LD 1911

I urge you to support LD 1911 because record sealing allows individuals to develop the social capital that deters future law violations, improves family outcomes, and stimulates the economy.

As a person of faith, I believe in the worth and dignity of all people. Those who have been convicted of a crime and who have served their time deserve the opportunity to re-enter society. By reducing barriers to that, I believe we will have a safer, stronger Maine.

Thank you and I urge you to move LD 1911 forward as "Ought to Pass"
