

Samuel Bernstein  
Edgecomb  
LD 2106

I submit testimony today in support of LD 2106. My name is Samuel Bernstein. I am an Emergency Medicine Physician Associate practicing in Biddeford and Sanford. I speak in my personal capacity and do not represent my employer in any way.

Patients are exceptionally vulnerable when they come to see me and my colleagues. They are afraid, in pain, and often have life-threatening or life-altering medical problems. They should not have to fear for their own safety from over-zealous and dangerous federal agents. All Maine residents deserve to seek help when they're sick or injured without fear for warrant-less arrest and detention.

Thank you
