Public hearing on LD2106  
Thursday, January 29, 2026, 1:00 pm

I respectfully ask that you **vote in favor of LD2106**. It is imperative that we ensure proper judicial review of ICE operations in Maine. We must prevent ICE from conducting immigration enforcement without a valid judicial warrant in schools, hospitals and healthcare facilities, daycares, and libraries, and prevent ICE from obtaining private records in the event they enter nonpublic areas of these spaces.

Every Mainer, regardless of immigration status, should be able to attend school, go to a doctor's appointment, or simply visit their local library without fear or the threat of intimidation from ICE. Our colleagues, local business owners, neighbors, friends and families are depending on your support. Our communities need these safe spaces for everyone. Please vote in favor LD2106.

With gratitude,  
Elizabeth Bridger
