LD 2106

I understand that LD 2106 ensures that ICE cannot enter Maine's schools, daycares, healthcare facilities, or libraries without a valid judicial warrant. I am writing in support of this bill. This is the way it should be already. The staff who work in these locations and the people served by them deserve clarification/confirmation that this is the case. Please act to ensure it is immediately clear that ICE cannot enter such locations without a valid judicial warrant. Thank you.
