LD 2106

To the Judiciary Committee,

I'm writing to voice my support for LD 2106, a bill to keep ICE out of hospitals and schools. ICE officers are currently kidnapping and murdering immigrants and citizens across the US, and they have no place in our schools and hospitals. Immigrants in Maine have been kidnapped and detained by ICE who are here legally with no criminal records. Juan Sebastian Carvajal-Munoz, Marcos Da Silva, and Francoise Makuiza are just a few names that come to mind. We need to, at the very least, be slowing ICE's illegal activity down by creating safe spaces for Mainers to feel safe. LD 2106 is necessary to show Mainers that we are safe and protected from the illegal actions of ICE.
