LD 2106

I'm testifying in favor of LD 2106 to protect Maine's kids, parents, teachers, healthcare workers and all of us by denying ICE access to schools, healthcare facilities, daycares, and libraries without a valid judicial warrant.

All people deserve to access crucial public services and meet basic human needs without fear. LD 2106 protects people accessing services at these sensitive locations, as well as the people who work there. This bill is also about protecting Maine's overall workforce and economy - when parents don't feel safe sending their kids to school or leaving them at daycare, they can't go to work. LD 2106 would provide important clarity and guidance to workers at these places that a decision has been made by Maine's state government that immigration officers are prohibited from entering these locations without a valid judicial warrant, and workers at these places are not allowed to provide voluntary consent to all immigration officers to enter.

Thank you
