LD 2106

I am a Maine resident and taxpayer urging you to support LD 2106. This bill will protect the public health of Maine and help ensure people feel safer at public schools, hospitals and healthcare facilities, daycares, and libraries by prohibiting ICE from entering these locations to conduct immigration enforcement unless they can produce a valid judicial warrant signed by a judge. Our government has a moral, legal, and ethical obligation to protect all Maine workers. We have witnessed the illegal and horrific acts of violence inflicted upon our communities in Maine by ICE and action must be taken to prevent these egregious violations of our rights. Please do all you can to support LD 2106.
