I help immigrants at Portland Adult Education. They are here LEGALLY and working to improve their English, hope to become citizens by passing the test, and improve their education for higher degrees and better jobs. These people **should not be afraid to go to school**. ICE must not interrupt their learning. Of course, the same is true for their children as they attend their schools.

Please vote positively on LD 2106, prohibiting information, which the schools have, to be shared with anyone, especially ICE without a PROPER JUDICIAL WARRANT. It is the law. One of the big caveats in the citizenship test is WE MUST ALL OBEY THE LAWS. Please help us do so and show these students that we all care about a lawful society.

Thank you.
