LD 2106

To the judiciary committee, I am writing in support of LD2106, the bill to keep ICE out of schools, libraries, hospitals, and daycares. I'm surprised this isn't already a law. This administration eliminated these safety measures and we must pass this in Maine to protect our citizens.

ICE is continuing to unlawfully abduct and detain Maine citizens. There needs to be sanctuaries in Maine for all citizens.

Please pass this LD2106 with no further wait. This is necessary for Maine residents. As a business owner in Maine, I feel this is the only acceptable outcome.
