LD 2106

Dear Senator Carney, Representative Kuhn & esteemed Members of the Judiciary Committee,

I am testifying today to support passage of LD 2106.

It is crucial that our children & everyone in our communities can at minimum, feel safe when they are at school, in daycare facilities, seeking medical care or at public libraries. No one should need to live in fear of being arrested or detained in the absence of a judicial warrant or court subpoena.

The current situation should not be happening in a democracy. I strongly request that you pass LD 2106.

Thank you,  
Roberta Zuckerman
