Hello;

I am writing in support of LD 785- An Act to Enact Recommendations on Changes to the Maine Indians Claims Settlement Act.

The recommendations would bring rights and authority of all four Wabanaki Nations in line with the other 570 federally recognized tribes in the United States.

As a newly arrived resident and tax payer I am hoping the tradition of justice and community values in this great state will be honored for all of our citizens.

Thank you for your time.

Sincerely,
