Native Americans are the first Americans. Neither their rights nor land use should not be restricted. They are the most sustainable peoples in America. Their ways are to be a guidepost, please help them showcase their ideas and ways of life so all Americans can live more sustainably and save the future of the planet for generations to come.

Thank you!

a bill to end the State of Maine's restrictions on tribal sovereignty and legally affirm the inherent right to self-determination for the Wabanaki Nations.
