LD 395

Sen. Carney, Rep. Kuhn and members of the Judiciary Committee, my name is Dan Tutor and I live in Islesboro). If you are testifying on behalf of an organization, state that here. I am here to testify in support of ld 395.

It boggles my mind that this needs any testimony at all. Surely these Mainers deserve the same benefits and laws as the other 570 recognized tribes ? This is a win for everyone . It saves the state money, and helps our people be more prosperous.

Thank you members of the committee, I am grateful you are addressing this long standing deficiency in our great state. It falls to all of us to be just and honorable.
