

Eleanor Wright
Cumberland
LD 785

To Senator Carney, Representative Kuhn and members of the Judiciary Committee,
I am Eleanor Wright, a resident of Cumberland ME and am testifying in support of LD 785. This bill will be an economic driver for both the economic area of the Wabanaki and for the tribes themselves. It is shocking that they have been deprived of federal legislation all these years. As a Unitarian I believe in equity and justice thus it is both ethically and morally imperative to enact this legislation.
Thank you for your work, Eleanor Wright
