LD 395

my name is Kevin Voigt. My wife and I are maritime academy graduates who sailed on deep sea merchant ships and have lived in Newcastle for 5 years.

We are from away, and that away included 10 years in Tulsa, Oklahoma. Chickasaw, Choctaw, Creek, Pawnee, Osage, Cherokee, Ponca, Cheyenne, Arapaho nations reside there.

Away also includes 17 years in Kingston, Massachusetts where our home was located across the street from a Massachusetts historical site where Wampanoag activity was found dating back 8,000 years. Another site in town was later found to date back 12,000 years.

I have worked with Macah, Crow, Assiniboine, met Unalgans on the Aleutian Islands.

I cannot remember any who were not proud of their heritage or think of any state without indigenous peoples.

LD 395, in my estimation should be non-partisanly passed with veto proof majorities, especially since what seems to be an impediment is the occupant of Blaire house.
