LD 2239

Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee on Judiciary:

I am Jeff Chandler, a resident of Yarmouth, and I am opposed to the proposed ballot measure, LD 2239.

The proposed ballot measure is a blanket ban that would be costly and complicated for schools to implement, and rather than solving problems in this area (which are few and far between to begin with), it would only serve to cause chaos and distraction for Maine's students. The danger in repealing our Maine Human Rights act is that ALL Mainers would be left with fewer civil liberty protections; we cannot introduce a half-baked measure that will make it possible for the government to control or police our bodies.

Thank you for the opportunity to express my disapproval with the measure, and for your consideration in rejecting it.

Jeff
