Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee on Judiciary: I am deeply saddened by the proposed referendum impacting trans students. This effort is using scarce resources to pick on children that deserve better. The proposal, if it wins, would seriously impact the freedom of these young people and scar many for life. The proposal was funded entirely by one out-of-state billionaire who is extremely reactionary and has never invested in our state before. I trust that you will do everything you can to reverse this kind of thinking and effort in the future. Thank you.
