

Evonne McCain  
Portland  
LD 2239

Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee on Judiciary,

My name is Evonne McCain and I am a resident of Portland. I am strongly opposed to the proposed ballot measure LD 2239. This proposal was funded entirely by one out-of-state billionaire in order to influence the 2026 midterm elections. Maine can NOT sell our kids and our democracy to the highest bidder. We also cannot open the door to laws and government policing or controlling our bodies. This proposal would repeal our foundational Maine Human Rights Act and leave Mainers with fewer civil rights protections. On behalf of every student in Maine who just wants to play a sport and to pee where they feel most comfortable, please do everything in your power to prevent this bill from becoming law. Maine has been a safe place for the trans community. Let's keep it that way.
