

Elizabeth Moberg
South Portland
LD 2239

April 13, 2026

Dear Senator Carney, Representative Kuhn and Honorable Members of the Judiciary Committee,

My name is Elizabeth Moberg and I live in South Portland. I am stating my views and sharing my experiences in opposition to the ballot measure LD2239.

The Maine Human Rights Act was thoughtfully crafted and passed the legislature to ensure human rights for all. This ballot measure is extreme and vaguely worded which would lead to chaos and litigation.

From a human rights perspective it would dismantle human rights protections for all and subject anyone to policing of their appearance, body and presentation.

While volunteering for a social justice nonprofit I have made friends with many folks who live outside the restrictive gender identities that this measure is trying to impose on everyone. I see and feel their frustration, distress and fear as the country aims to remove them from public life. I believe Maine's motto of wisdom and compassion "the way life should be" should continue to apply to everyone.

Thank you for considering my views and for the vital work you do for our state.

Sincerely,
Elizabeth Moberg
