My name is Hannah Morris, and I am opposed to the proposed ballot measure, LD 2239. We cannot open the door to laws and government policing or controlling our bodies. This proposal would repeal our foundational Maine Human Rights Act and leave Mainers with fewer civil rights protections. Additionally, this proposal was funded entirely by one out-of-state billionaire in order to influence the 2026 midterm elections. Maine won't sell our kids and our democracy to the highest bidder. Thank you for the opportunity to share my perspective with the Committee.
