Good morning Senator Carney, Representative Kuhn, and Honorable Members of the Joint Standing Committee on Judiciary. I'm Cory Reynolds, and I'm here to express my support for this bill. The idea is to ensure fairness and safety in sports and public spaces, particularly for children and women's facilities. Let's protect our girls in sports and restrooms. Stop with this bs and let's worry about the mental health crisis, cost of living and homelessness. I have a quote I would like to end with

Boys are boys from the beginning girls are girls right from the start. Only girls can be the mommies only boys can grow up to be the daddies.
