Dear Judiciary Committee members,

I'm writing to strongly encourage you to vote in favor of this bill. The common sense it represents speaks for itself. Girls in girl's sports and boys in boy's sports has worked very well historically and is in the best interest of all participants. Perhaps more importantly is keeping private, safe restrooms and locker rooms for each biological sex.

It's just common sense!

Thank you for considering my testimony and again, I ask you to vote in favor of this bill.

Sincerely,
Tracy Santos
