Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee on Judiciary,

My name is Deidre Fogg, I am from Yarmouth Maine, and I am writing as a mother and compassionate community member. I am opposed to the proposed ballot measure, LD 2239.

Much more concerning to me than having my daughter possibly play against a trans student in youth sports is the idea that she might be policed in using the bathroom at her school. My daughter is an athlete; please invest your time and money in supporting girls sports through funding and greater access to opportunities, not by discriminating against other children.

Thank you for the opportunity to share my perspective with the Committee.
