

D. Gordon Mott
Lakeville
LD 599

Senator Tipping, Representative Roeder, Honorable Members of the Labor Committee:

My name is D. Gordon Mott. I live and vote in the Organized Town of Lakeville in Land Use Planning Commission Territory in Penobscot County.

I offer the following testimony in favor of LD 599 for the following reasons:

If I understand correctly, the analyses I have read establish that serious unfair discrepancies have crept in over time between federal and Maine state regulations concerning when overtime pay should be paid, and that it is unclear whether proceedings in court will resolve the situation in a timely fashion.

This bill appears to have the dual objectives of resolving the unfair discrepancies and to be fair at the same time to balance the interests of business employers.

Please vote to support LD 599. And thank you sincerely.
