

Greg Soutiea  
Spruce Head  
LD 599

We are opposed to LD 599 as this significant increase in the existing salary threshold would be a major impact to small business and the already rising costs of doing business. The passing of this increase would put smaller employers at a disadvantage to other larger businesses or in our case, hotel/restaurant groups that have more resources than smaller properties.

Respectfully,  
Greg & Lauren Soutiea
