

Allison Putnam  
Southwest Harbor  
LD 1670

My name is Allison Putnam and I live in the town of Southwest Harbor, Maine I am an educator, homeowner, and MainePERS member, and I strongly support this bill. This will reduce energy costs and increase the comfort, health and safety of our citizens. I support our local teachers and public employees, and want them to have this new benefit. Please vote Ought to Pass on LD 1670!
