LD 151 and LD 1022, jeopardize our farms and will drive up food costs for all Mainers.

These bills allege mistreatment of farm workers without evidence, by promoting unionization and increasing regulations of farm worker pay.

I support Maine Farmers. Farm workers are important because without them, our farms don't work. Driving a wedge between farmers and the people they employ serves no one and hurts everyone.

Without farms we are without food.

Protect Farmers, their employees, and Maine's food supply. Vote against Rep. Harnett's anti-farming bills LD 151 and LD 1022.

Respectfully,
