Dear Members of the Labor Committee,

I am writing today to let you know that that I strongly oppose Representative Thom Harnett bills LD 151 and LD1022. These two bills would destroy the working relationship that the Maine farmers and their employees have for no other reason than a pollical power move. They jeopardize our farms and drive the cost of food for all in Maine.

As a life-time farmer and a member of the Maine Farm Bureau, I encourage to vote against Representative's Harnett "anti-farming" bills LD 151 and LD 1022

Thank you  
Tommie C. McKenzie
