Resident

Please vote against the Harnett bill!
Together we must protect our farmers. Their workers and our food chain !
The farmers have done an outstanding job! This terrible bill is like a slap in the face during a very tough time for everyone!

This bill is a bad idea for Maine and a bad idea for ME! Protect our farmers and protect ME!
Please vote against LD. 151 and LD 1022
Anti-farming bills are a terrible idea. Especially during a pandemic !

Sincerely,
Jean McPhail
