To Whom It May Concern,

Please support the farmers of Maine. Vote against Rep. Harnett's anti-farming bills LD 151 and LD 1022. Farmers are already stressed with the impact of the pandemic and the last year. They need your assistance, not more regulations, making their lives harder yet. It is my hope that you will choose to protect farmers, their employees Maine's food supply and reject these bills, LD 151 and 1022.

Thank You,
Ben Wetherill
