Testimony of the Workers' Compensation Board

L.D. 1024 – Resolve, Directing the Workers' Compensation Board To Study the Impact of Workers' Compensation Laws on Certain Public Sector Employees

April 16, 2021

Senator Hickman, Representative Sylvester, and members of the Joint Committee on Labor and Housing, I am John Rohde, the Executive Director of the Workers' Compensation Board.

On behalf of the Maine Workers' Compensation Board, I am here to testify Neither for Nor Against L.D. 1024. The Board will probably be able to complete the impact study within existing resources; however, the requirement to devise a high-risk pool will have a fiscal impact on the Board. Until the study is complete, it will be difficult to determine the potential fiscal impact.

I am happy to try and answer questions you may have and provide additional information you need.

Thank you.
