

Robert Rosati

LD 2003

Dear Committee on Labor and Housing,
We beseech you to reject LD 2003, as it
violates "Home Rule" and Municipalities
rights 2...This Bill will not benefit first time
home buyers in Maine either, will not address
our workforce housing dilemma and strictly
limits income of both potential renters and buyers.
This Bill is bad for Maine. Thank you for your time.

Sincerely,
Robert Rosati Family
