LD 2003

Dear Labor and Housing Comitee Chair and Members,
LD 2003 is a HORRID Bill which will allow State Government
more control they do not need. This Bill will enable Augusta to
tell people where they can and can't live....Thgis is America, not
some dictatorship!...Freedom! Freedom to choose where we want
to live, not where assigned to live. Please vote this AWFUL Cupsuptic Bill down! TY,
Robert Rosati Family
