Esteemed Labor and Housing Committee Members,
I am writing in support of LD 1724, "An Act to Create a Logging Dispute Resolution Board and to Require Proof of Ownership Documents to be Available within 14 Days of Request."
Logging is an important and challenging profession in our state. When a dispute arises currently, loggers who are independent contractors face a costly legal barrier requiring filing a lawsuit with the landowner to resolve the issue. The development of this Logging Dispute Resolution Board would provide an equitable recourse for loggers and would reduce frivolous cases as the losing party would be responsible to pay for the cost of the hearing. This is only fair for these vital workers, and I encourage you to support LD 1724
Kind regards,
Laura "Kati" Corlew
