

Elliot Arons  
Hatchet Cove Oysters, Friendship

As an oyster farmer in Friendship I oppose LD 1146 due to the following:

It will put my business at risk

The current leasing and management system is not broken

I oppose the revocation of aquacultures exemption to NURPA and site development law because it will allow opponents to require visual impact and alternative site studies

I support diversity in aquaculture

I support MAA and it efforts to find constructive solutions that address concerns while allowing Maine aquaculture businesses to grow.
