

Jean MacKenzie  
Bremen

Hello,

My name is Jean MacKenzie. I have been working in the aquaculture field for 22 years. I am proud of what I do and hope to continue on for the rest of my life. I was born in Maine and now reside in Bremen Maine.

The proposed LD 1146 is against Maine and all that we have been about for our history. I am opposed to said bill to the core of my being! The current system is not broken and therefore needs no fixing. Please let's not appease the folks from away that continue to take our state away from us.

Sincerely Jean MacKenzie
