LD 553

I urge you to vote OUGHT TO PASS on LD 553, An Act to assert state ownership over ocean waters and marine resources up to 12 nautical miles off the state's coast. To me, this is a no-brainer. We should have control of our ocean waters and marine resources off our coast. The ocean plays a VERY IMPORTANT role in Maine. Our fishermen and women, trawlers and lobster men and women, are a vital part of what makes Maine, MAINE! Without them, we would be very much worse off. We need to help them make their living from our seas in any way that we are able. This law, I'm sure will help them keep control of what they do. And do very well I might add. I believe this is needed to help them achieve that. So, I ask you to make Maine waters prosperous and OURS ONLY! Vote OUT TO PASS ON LD553. Thank you!
