THis bill is unclear and needs to be amended. In the words of Maine County Commissioner Association's own testimony "However, Maine law provides no guidance regarding the manner in which such a complaint is delivered to the Governor nor whether such complaint should be accompanied by evidence. Here is the current provision guiding the complaint process that may be initiated by county commissioners: "Whenever the county commissioners find that the sheriff is not faithfully or efficiently performing any duty imposed by this chapter or that the sheriff is improperly exercising or acting outside the sheriff's authority, the commissioners may file a complaint with the Governor describing in detail the facts of those actions or omissions and requesting the Governor to remove the sheriff from office..." 30-A MRSA §441.
