

William Smith  
Gorham

Senator Baldacci, Representative Matlack, and distinguished members of the  
Committee on State and Local Government,

My name is William Smith, and I live in Gorham, Maine.

I come to you today to ask that you vote "Ought to Pass" on LD 608.

In addition I feel that the bill should be amended with requirements that during the legislative review a summary report showing contrasts and comparisons to existing and/or previous states of emergencies locally, state-wide or national showing a complete analysis of the situation and how the intended response is proportional to handling of such emergencies.

Thank you for your time, and I respectfully ask that, with this amendment, you vote "Ought to Pass".

Sincerely,  
William Smith
