I am writing to express my support for LD 1057: "A Resolution Proposing an Amendment to the Constitution of Maine To Provide for the Popular Election of the Secretary of State" In that this resolution proposes a constitutional amendment that provides for direct popular election of the Maine Secretary of State biennially in the manner currently provided for Senators and Representatives, I am all for it. As a voting citizen, I would welcome the opportunity to cast a vote for such a high ranking, Maine official.
Again, I support LD 1057: " A Resolution Proposing an Amendment to the Constitution of Maine To Provide for the Popular Election of the Secretary of State", and it "ought to pass".
