Subj: LD 805 An Act To Allow Municipalities To Prohibit Firearms at Voting Places.

My name is Craig Caffrey of Bowdoinham ME and I have submitted this testimony in opposition to LD 805 An Act To Allow Municipalities To Prohibit Firearms at Voting Places.

Maine has repeatedly been declared one of the safest states in the Union. Why? Because Mainers do not require governments permission to carry or defend themselves.

This bill would make voting locations a "soft target." Furthermore, what happened here in Bowdoinham on election day, 08 November 2020, several town folks stated they felt intimidated by our local deputy and told him to leave. How would we be able to defend ourselves then if this bill were to pass?

I strongly encourage this committee to vote "Ought Not to Pass" on LD 805 An Act To Allow Municipalities To Prohibit Firearms at Voting Places.

Thank you for your time,

Craig Caffrey
