Hi Clerk Cheryl McGowan,

As a Maine resident and short-term rental host, I support LD 1365. This is a bill that balances property rights with the ability of local communities to safeguard quality of life.

I am one of the thousands of hosts in the state who open up their homes to make ends meet. That's money we earn and is spent here, in our community. Local businesses, cleaners and restaurants all benefit when visitors stay in my home and I'm proud of the work I do to support our local economy.

I ask that you support this common-sense legislation which protects hard working residents of the Pine Tree State, like myself, and helps fast-track our economic recovery. Thank you.
