To whom it may concern,

My name is Brent Davis and i live on Ledge Hill Road in Bowdoin Maine. I am writing in regarding LD 1513 and would like to see this bill passed. I live on a road that is a discontinued road that our town owns a large parcel of land on and is open to public use. We have 6 households on this road and have very limited funds to perform required summer work and winter plowing to keep this road passable for emergency equipment or day to day residents needs. With the public being allowed to use the road as they please and no support from our town it has made the financial burden to up keep the road to much for the couple of us that pay in and fear with out some support like in the LD 1513 we will have a road in disrepair and this could cause issues for any needs of the residents on the road.

Thnak you for your time.

Sincerely, Brent Davis
