I support LD 1340, "An Act To Ensure Municipal Compliance with Federal Immigration Laws".

As I understand it, this bill provides that a municipality is ineligible to receive general purpose aid for local schools, municipal general assistance and state-municipal revenue sharing if that municipality prohibits or restricts, formally or informally, the exchange of information with federal immigration authorities or any other federal, state or local government entity regarding the immigration status, lawful or unlawful, of any individual or the maintenance of such information

I am in support of this bill 100%. Maine has no business breaking Federal law. We are a nation of laws. Period.

In 2015, Gang Deng Majok murdered Trey Arsenault. Arsenault was an innocent victim, listening to a friend sing when he was caught in the crossfire of the shooting. Majok is a career criminal from Sudan who found his way Maine in 2002. Why wasn't he deported long before the murder? How many more Maine citizens have to die before our state enforces immigration law?

Again, I support LD 1340, "An Act To Ensure Municipal Compliance with Federal Immigration Laws", and it "ought to pass".
