I am a Stockholder and Director of Windham Weaponry, Inc. Windham, MAINE. We are Manufacturers of Quality Firearms. We supply the MAINE State Police, Inland Fisheries and Wildlife, as well as many County Sheriff's and Municipal Law Enforcement Agencies with Patrol Rifles. We appreciate the fact that they buy from a MAINE Company. They are supporting the MAINE Taxpaying Citizens by doing so. We at WWI, Inc provide good paying jobs, exc event benefits, including Company paid Health Care, and Bonus program.

I would urge you, Democrat, Republican, and Independent to Vote YES, Aught to Pass on this Legislation. It is only Right to Purchase product as well as Services Provided by Maine Companies an Citizens when ever the needs are available. There is absolutely NO NEED to purchase out of State when it is available here!

Thank you for taking the time to read my testimony in favor of LD1411.
