I support LD 1536, "An Act Regarding Municipal Public Hearings on Citizen-initiated Municipal Referenda".

This bill proposes to amend the laws governing municipal public hearings on citizen initiated municipal referenda concerning municipal ordinances.

I agree with this bill 100%. Maine citizens deserve the opportunity to weigh in on any and all legislation potentially affecting them.

Again, I support 1536, "An Act Regarding Municipal Public Hearings on Citizen-initiated Municipal Referenda", and it "ought to pass".
