LD 86

Dear Members of the Committee State and Local Government:

My Name is Cory Reynolds I am Writing my testimony today in Opposition on LD-86 - An Act to Restore the Former Maine Flag. Sponsored By Rep. Sean Parlous Of Bath Maine. I Do Not Support this Bill because I believe there's nothing wrong with the Flag we have had for year's. I Like the color Blue and the history that goes along with the flag. Democrats are trying to take away our history and it needs to stop. Let's get rid of this bill, and worry about the Homelessness, and Mental Health Crisis. Drugs Epidemic

Thank You,
Republican Cory Reynolds
