Old Orchard Beach
LD 2167

Members of the State and Local Government Committee,

My name is Moriah Estes from Old Orchard Beach, and I'm asking you to vote down LD2167. I can't even begin how to explain how BACKWARDS it is - the administration forces business to fire staff who refuse jabs, and then turn around and want to FILL OUR STATE WITH 75,000 UBJABBED MIGRANTS TO REPLACE THEM?! What on earth is going on up there in Augusta?! Lose the jab mandates, give MAINERS their jobs and lost wages back, AND STAND UP FOR MAINERS. I live in a tourist town, I LOVE people who wish to travel or visit or move here appropriately- not for whatever game is being played by politicians. Stand up for MAINERS.
