LD 2101

Chair Nangle, Chair Stover, and members of the State and Local Government  
Committee,

My name is Mark Doty, I am a resident of Madison, Vice-chair of the Madison  
Planning Board, and President of the Lake Wesserunsett Association. This testimony  
is my own, not as a representative of an organization.

I am in support of LD 2101, An Act to Strengthen Shoreland Zoning Enforcement,  
which adds needed enforcement tools to the Municipal Code Enforcement Officer  
Shoreland Zoning toolbox.

The shoreland zoning laws are critical piece of protecting the water quality, wildlife,  
and thus our enjoyment of Maine's lakes. Passage of this bill will enhance and  
strengthen the ability of municipalities to enforce them.

Please support with an Ought to Pass vote on LD 210.

Thank you,  
Mark Doty
